REMARKS

The applicant acknowledges with appreciation the indication of claims 3-5 having allowable subject matter. Claim 1 has been amended to incorporate claim 3, which has been cancelled. All other claims include the limitations of claim 1 and are deemed allowable.

Pages 1, 8 and 13 of the Specification have been amended as suggested.

The phrase "the or each" objected to by the Examiner where it occurs in the claims has been amended to "said at least one" for consistency with Claim 1.

Where that phrase occurs in the description, if any, it is considered a clear grammatically correct usage. The Examiner has given no basis why that should be changed in the description.

Respectfully submitted,
